## Introduction

---

A Frontend Web Developer and Informatics Engineering Student with a main focus on building responsive, interactive, maintainable, and accessible Websites. Familiar with Javascript/Typescript, React Ecosystem, and Linux(for daily use). Always try to follow best practices as much as I can. Keep it simple, is one of my principles while building something. I love to learn new things that will be valuable to me.

## Educations

---

### ISB Atma Luhur

2021-Present

Informatics Engineering. Current GPA: 3.84

### SMAN 1 Pangkalpinang
